**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because of the lack of security measures by the big providers in their internet modem/router devices. The competitive provider Sonic has vastly superior security embedded by default and better options for the user to increase it if desired. Security is paramount in todays world, yet the big providers do not pay enough attention to it.
